card

step 1

Cut cream cardstock 21cm x 21cm then fold in half to form the card. Cut a 10.5cm x 21cm panel from the other piece of cream cardstock. Tear or cut two 15cm x 17cm pieces of the flannel fabric.

step 2

Fold the top edge of the fabric pieces over. Using the hot glue attach the fabric pieces at the sides of the single panel approximately 7cm from the top edge. Arrange the fabric to resemble a baby's blanket and glue in place. Create a stack from the buttons attaching them with the hot glue trapping the jump ring under the last button in the stack. Glue in place.

step 3

Use the pink pencil to scribble onto the scrap paper. Rub the dauber onto the scribble to pick up some colour then rub the colour off onto the panel to represent the baby's cheeks. Repeat with more scribble until the desired effect is achieved. Draw the eye lines with the brown pencil. Cut a 10.5cm x 5.5cm piece of blue card and cut a curve at the bottom to represent the hat. Stamp 'it's a boy' using the StazOn ink pad. Attach the panel to the front of the card.

step 4

Knit the baby beanie and then place the beanie on top.
