

# letterpress cards

The Letterpress starter kit works with the portable Epic Six to create stunning embossed & inked detail on cards, invitations, gifts and stationery, that's fresh & elegant.

## materials for all cards

- Epic Six die cutting & embossing system
- Letterpress starter kit, printing plates & inks
- paper trimmer
- scissors
- double-sided tape
- glue stick

## square thank you

- 1 x square folded card & envelope
- Letterpress inks – teal blue, brown
- Printing plate – Everyday #5
- brown grosgrain ribbon

Using floral pattern printing plate and teal blue ink print over the entire front of the card.

Using brown ink print 'thank you' onto a 13.5cm x 4.5cm piece of letterpress paper then attach to the front of the card.

Adhere a length of ribbon below the words.

## pink & brown thank you

- 1 x A2 folded card & envelope
- Letterpress inks – hot pink, brown
- Printing plate – Everyday #1
- pink cardstock
- American Crafts Blue Skies scrapbook paper – Zip a Dee Doo Dah, Good Vibrations
- American Crafts flair badges – miss you
- ribbon

Trim 1.5cm from card front along the right-hand edge. Cut a 4cm x 14cm strip of Zip a Dee Doo Dah scrapbook paper and attach down the inside right-hand edge of card.

Using the square border printing plate and hot pink ink create a pattern down the cut edge. Adhere a length of ribbon to the left of pattern.

Cut pink cardstock 6.5cm x 11.5cm and adhere to card front. Cut a 6cm x 11cm piece of Good Vibrations paper and adhere to pink card.

Print a small pattern onto a 4cm x 5cm piece of letterpress paper with brown ink and attach to card with knotted length of ribbon underneath. Stick a flair badge on top.

Print 'thank you' with pink ink onto a small piece of letterpress paper, mount on pink cardstock and attach to card.

To line envelope trace shape onto paper, cut out slightly smaller and adhere to inside.

## orange thank you

- 2 x no. 10 flat cards
- 1 x no.10 envelope
- Letterpress inks – orange, teal green
- Printing plate – Everyday #2
- brown cardstock
- American Crafts Blue Skies scrapbook paper – Over the Rainbow
- orange grosgrain ribbon

Cut a 24cm x 4.5cm strip of Over the Rainbow scrapbook paper and fold in half lengthways. Use this strip with double-sided tape to attach the two flat cards together to form a folded card.

Attach a length of ribbon around the spine.

Cut 3 x 4.5cm squares from brown cardstock and 3 x 4cm squares from letterpress paper.

Print desired flowers onto the 3 letterpress squares then mount these onto the brown squares then attach to card. Add knotted ribbon length from under one square.

Print 'thank you' onto letterpress paper, cut and mount onto brown card then attach to a piece of Over the Rainbow paper and adhere to card.
